Brittany Teague					9	10	8				27

### RULES

You must complete a minimum of 6 races to qualify.

You can count for the 'Open' category and your Age Category

Your best 6 races count.

Your age on the day of race is the category calculated. However, if an individual changes age category mid year, the category in which he/she completes 6 races will be the one that counts at the end of the year. This means that points may have to be reallocated to a different age category in the latter stages of the competition. So be aware of your possible rivals! You can only qualify in one age category. This affects a minimal number of people and was felt to be the fairest way to award points.
