Sunday 22nd February 2015
10:30 am start

IMPORTANT INFORMATION

- Please note the new Race HQ location for 2015 - we are at the the **Cotswold Sports hall, behind the Cotswold School**, adjacent to the Leisure Centre, off Station Road.
- All numbers are to be collected on the day from the Race HQ, which is a short work from the start/finish area in the centre of Bourton village.
- Please allow sufficient time to get to the race start from the sports hall, using Moore Road (shown on the map), which brings you to the start area.
- It is only the Race HQ location that has changed; the course, the start and finish area, the management team and the sponsors remain the same. So it should still be the same fun and professional event.
- For those new to the race, it consists of two small laps of the village, followed by a run out-and-back, finishing with 1³/₄ more small laps of the village. See the thumb-nail maps to the right. The course is flat, fast and relatively traffic-free.
- There will be kilometre markers.
- Traffic control ceases after an hour.
- Drinks and refreshments will be available at the Cotswold Sports hall.
- All runners to use pay and display car parks and not the leisure centre - these are shown on the maps to the right.
- All **prize giving** will take place at the **sports hall**.
- **Headphones must not be worn, otherwise you will be disqualified in accordance with UKA rules.**
- **The course is not suitable for pushchairs or dogs.**

START - 2 laps of village then out along the Rissington Road to the Course Turn Point

FINISH - turn left and do 1 and 3/4 more laps of village
