With the Jersey trip having been such a massive success, the sister island Guernsey is now looking favourite for the club trip in 2012. With the event being held on the weekend of 25th/26th August, it gives everyone the chance to enjoy the Olympic Games and be further inspired to come along and race in a new location. The event comprises the following races

Having spoken to the race director Peter Head, he has kindly agreed to offer a 10% discount for club members on all entry fees (rounded up) so this effectively means the marathon will be £38 (for UKA attached), Relay for 2 £63, Relay for 5 £135 and relay for five Shoemarks £113!

He is also looking at accommodation and will let us know availability/prices, however we anticipate the cost of the trip to be very similar to that of Jersey as we plan to travel by ferry from Weymouth on the Thursday or Friday and spend 3 or 4 nights on the island.

Obviously Peter is keen to get an idea of numbers, therefore could I ask you all to let me know whether you're interested in going on the trip? I know it seems early to be committing yourself however we all know that booking as early as possible gets the best prices. Please can you also let me know which event you would be interested in doing?

Please can you let me know by Friday 9th December at the latest.

Come on everyone, let's make 2012 the best and biggest club trip ever and we stand a good chance of winning lots of prizes!

Regards,
Steve
