Dear Parent,

We welcome and encourage junior members and their parent/guardians, and enjoy having them attend the Tuesday and Thursday club runs from 7pm-7.30pm. However, with our ever increasing awareness of safety in mind, and our concern that no children should be left on a club run without an adult, we have in place a system which will hopefully eliminate the chance of having to cross the road alone.

**We therefore ask that whenever possible parents/guardians accompany their children on the run, or make sure that their child waits at a designated meeting point until an adult club member arrives to accompany them for the session.**

**This will apply to children up to and including year 6 school age. All junior members in year 7 and above should be made aware by their parents of the need for safety on club nights.**

All children **must** wear a reflective top on dark winter nights. These are in stock and available from Tony Goodwill.

By signing the attached application form you are confirming that you have read this letter and agree to its contents.

Although we take every step possible to care for the children on club runs, the club cannot be held responsible for their safety. We ask that you make it clear to your children that they should not run on ahead or cross roads without an adult.

Welcome to the club and enjoy you running.
